Dear Elizabeth,

Thank you for taking the time out of your busy campaign schedule to meet with the Charleston Trident Association of REALTORS® Candidate Screening Committee. We write to inform you that the Screening Committee has completed its work and the findings were approved by the association's Board of Directors.

As you are aware, the purpose of the Candidate Screening Committee is to get to know the candidates, to learn of their views on issues and to promote the election of those individuals who know and understand REALTOR® issues. Ultimately, it is the Committee's responsibility to recommend candidates who are concerned with REALTOR® issues, who are willing to advance education in Charleston County and hold down the burden of property taxes on our residents and businesses.

After careful evaluation of the candidates interviewed in your race, the Candidate Screening Committee and the Board of Directors have determined you are **RECOMMENDED**. Candidates who the Association rates as *Recommended* means the candidate received the highest marks compatible with REALTOR® interests, and we are recommending to our REALTOR® members that they cast their ballot in November for you.

Again, on behalf of the Charleston Trident Association of REALTORS®, we appreciate you meeting with us. We wish you the best of luck in the election, and if in the future we may be of any assistance to you, please do not hesitate to call on us.

For any additional information, please contact our Government Affairs Director Ryan Castle at [Ryan@CharlestonRealtors.com](mailto:Ryan@CharlestonRealtors.com) or (843) 760-9400.

Sincerely,
